

THE WISDOM SCHOOL
of **ACADEMICS & SPORTS**
NURTURE. PLAY. LEARN.

PROSPECTUS
2024-2025

DIRECTOR'S MESSAGE

"Education is the passport to future, for tomorrow belongs to those who prepare for it today." Learning is a continuous process. While technology makes the transmission of knowledge easier and within everyone's grasp, it leaves us with many unanswered questions. Choosing the right school for your child is a serious matter. Every child deserves a learning environment in which he or she feels safe and secure.

At The Wisdom School of Academics & Sports, we believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society.

We help our students imbibe the 21 st-century learning skills that are often called the "4 C's": Critical Thinking, Creative Thinking, Communication, and Collaboration.

Collaborate, communicate, critically think, and create – the essential 21st-century skills. We Empower students with these core abilities to thrive in today's dynamic world and shape a successful future.

It is with pride that we uphold these values, and ask each of our students to commit to them throughout their journey of learning in TWS.

Regards
Amrit Khera

PRINCIPAL'S MESSAGE

As I walk down the hallways of school every day, I hear the chatter of eager minds, the shouts of excitement from learners, the thump of dancing feet, and the sound of melodious voices harmonizing. The perpetual energy, movement, and enthusiasm permeates the atmosphere at The Wisdom School of Academics & Sports, Tarn Taran. We are a school with a difference!

We value individualism, creativity, innovation, and humanitarianism and strive to nurture these values in our students. Besides the rigorous scholastic facets of a child, we aim not just to impart knowledge, but also to inculcate wisdom, compassion, tolerance, and respect for diversity. We want our boys to respect the other gender, and we want our girls to explore new heights. Another area of our focus is the physical development of each child. The Wisdom School is determined, through its curriculum, to keep the body, mind, and spirit of each student in consonance, with their holistic development.

Our mission is to continuously do what we have always done: develop the school and students with integrated values and also give our students the best opportunities for overall growth. Our vision is to produce conscientious, smart, and confident citizens who will go out into the world and make us proud.

Best of Luck!

OUR ASSOCIATIONS & ACCREDITATIONS

Wisdom Groups

California, USA 

The Wisdom School of Academics and Sports is associated with Wisdom Groups, California, USA

Our parent organization, The Wisdom Groups, California, USA, is an established leader in the supply of Montessori equipment, IT & construction services. Our Montessori equipment is very thoughtfully made out of natural, aesthetic materials, are organized by subject area, and are appropriate in size. In technology, they provide tech solutions to small and middle-level businesses, schools, NGOs, and NPOs. The Group leads in providing efficient yet cost-saving services in a timely and feature-rich manner. Another area of expertise for The Wisdom Group is providing construction services to chain partners, customers, and like-minded individuals on a profit and non-profit basis.

AFKA (American Forest Kindergarten Association)

The Wisdom School has been designed to touch the lives of youngsters around the globe and from all walks of life. We are bound to provide the highest standard of education to the students. The curriculum focuses on developing curiosity and a desire to learn, along with providing an environment that promotes performance in mathematics, sciences, reading, and standardized tests. Being a member of the American Forest Kindergarten Association, (Washington, USA), the school believes in providing outdoor learning spaces, an abundance of natural light and mobility, intellectual curiosity, and knowledge creation to advance them on their path to being global achievers. The School follows the CBSE pattern as well as IB (INTERNATIONAL BACCALAUREATE) curriculum.

AMLE (Association for Middle-level Education)

AMLE is the only international organization of its kind for middle school educators. AMLE is the go-to source for middle-level education, peer-reviewed research, best practices, and professional development.

CIES (Comparative & International Education Society)

CIES is dedicated to increasing understanding of educational issues, trends, and policies through comparative, intellectual, and international perspectives. CIES organizes and provides conferences, publications, professional networking, and research support for the field of comparative and international education.

OUR SPORTS PARTNER

DR. P.T. USHA (Pilavullakandi Thekkeparambil Usha), Our Sports Partner

The queen of Indian track and field for almost three decades, the woman who was nicknamed "Payyoli Express," "Udanpari," and "Golden Girl" because of her speed on the racetrack (P.T. Usha), needs no introduction. Since 1979, she has been associated with international athletics and is our sports guide and mentor. She has curated an age-specific sports curriculum for our students and has an unmatched vision for the growth of sports at The Wisdom School of Academics & Sports, Tarn Taran.

DR. PT USHA

OUR BRAND AMBASSADOR

GURPREET SINGH WARAICH (GHUGGI)

Gurpreet Singh Waraich, commonly known as Gurpreet Ghuggi, is an Indian actor, comedian, and politician. He is known for his work in Punjabi and Hindi films. An international public figure, recognized for his meaningful roles, he is our ambassador and strongly believes that through education alone, a country can emerge as a global power, and we owe it to our children.

GURPREET SINGH WARAICH

Our 3 Pillars

Centre of excellence

Centre of innovation

Centre of physical fitness

Centre of Excellence

At The Wisdom School, our Centre of Excellence stands as a beacon of academic brilliance. Here, a transformative learning environment nurtures intellectual curiosity, innovation, and a pursuit of excellence. We harness cutting-edge pedagogies, seasoned educators, and state-of-the-art resources to cultivate a culture where every student excels in their academic journey. With a focus on holistic development, our Centre of Excellence is dedicated to shaping future leaders, instilling values, and fostering a love for lifelong learning.

Centre of Innovation

Embrace the spirit of innovation at The Wisdom School's Centre of Innovation. Here, creativity knows no bounds as students are encouraged to explore, question, and invent. Our dynamic programs and collaborative spaces foster a culture of forward-thinking and problem-solving. From robotics to entrepreneurship, students embark on a journey of discovery, turning ideas into reality. The Centre of Innovation is not just a space; it's a mindset that empowers students to embrace challenges, think outside the box, and contribute meaningfully to a rapidly evolving world.

Centre of Physical Fitness

Prioritizing health and well-being, The Wisdom School's Centre of Physical Fitness is a sanctuary for active living. With state-of-the-art facilities and expert trainers, we promote a balanced lifestyle where physical fitness is an integral part of education. From personalized fitness plans to team sports, our center encourages students to discover the joy of movement. Beyond physical prowess, we instill values of discipline, teamwork, and resilience. The Centre of Physical Fitness is more than a gym; it's a commitment to nurturing healthy minds and strong bodies, laying the foundation for a lifetime of well-being.

MISSION & VISION

1. To impart well-rounded, comprehensive world-class education with the highest levels of safety & security.
2. To produce young men who are happy, resilient, self-motivated, confident, and eco-conscious and who grow up to be global citizens with humanitarian values.
3. Seek to be a pre-eminent, intellectual, and innovative center to provide better academic and non-academic facilities.

SCHOOL CURRICULUM

The School follows the CBSE as well as the IB curriculum through three educational programs.

PYP OR PRIMARY YEAR PROGRAM FOR KG TO CLASS -5

MYP OR MIDDLE YEAR PROGRAM FOR CLASS-6 TO CLASS-10

DP OR DIPLOMA PROGRAM FOR CLASS-11 AND CLASS-12

The Wisdom School of Academics and Sports employs a pedagogy that conveys an industriously prepared curriculum in its true spirit in association with Wisdom Groups, California, USA.

The Wisdom School of Academics and Sports conducts two semester exams each year. One in the month of September and the second in the month of February. These examinations have international acceptance. The subjects taught in the curriculum are English, Hindi, Mathematics, Computer Science, General Science, Health and Hygiene, Social Science, General Knowledge, Physical Education, Punjabi, Moral Science and French. The curriculum also includes Art and craft, Music, Classical and Western Dance as well as community service. We follow a system of continuous assessment where students' academic performance is determined by their Unit Test, Class Test and semester examination. At the end of each term, comprehensive reports are sent to parents/guardians. For promotion, the students' assignments and assessments are considered throughout the year.

SCHOOL CAMPUS

The Wisdom School of Academics & Sports, Tarn-Taran is proud to offer to its stakeholders an imposing structure, ample classroom space, a roomy indoor sports hall, music and dance labs, a physical & E-Library, a fully equipped auditorium, a health care center, resource rooms, grade-specific and an extremely robust sports programme. Spacious, air-conditioned smart classrooms with extremely excellent interiors matched by the academic excellence of faculty create an environment for nurturing the thinking skills of students.

INFRASTRUCTURE

A state of art Infrastructure with spacious Classrooms, labs, indoor Sports hall, and an impressive Auditorium equipped with hi-tech facilities are some of the key attractions of the School.

PRE-SCHOOL MONTESSORI SYSTEM DRIVEN

Pre School is all about bringing dreams and fantasies to life for the toddlers. Since children are on the threshold of a new experience & are beginning their journey into learning, the Montessori curriculum is introduced. The Wisdom offers a uniquely designed Kindergarten program exposed to all domains of development-physical, social, language, cognitive and no single domain takes precedence over the other. We inculcate the qualities of curiosity, exploration, and discovery and are mindful of children being allowed to develop at their own pace, with an advanced pedagogy and curriculum.

PRIMARY WING

At the primary stage, children are gradually introduced consciously about their duties towards themselves, Home, and Society at large. The inculcation of values at this stage prepares a fertile thought process and a sense of responsibility gets ingrained. Thus, a firm foundation of a positive, sensitive, and caring individual is chalked out. We empower our students to think out of the box and showcase their creativity. In order to let the creative juices flow, an equal emphasis has always been given to performing arts wherein the students canvas in their own stride.

BALANCING SPORTS & ACADEMICS

The Wisdom School of Academics and Sports employs a pedagogy that conveys an industriously prepared curriculum in its true spirit in association with Wisdom Groups, California, USA.

The Wisdom School of Academics and Sports conducts two semester exams each year. One in the month of September and the second in the month of February. These examinations have international acceptance. The subjects taught in the curriculum are English, Hindi, Mathematics, Computer Science, General Science, Health and Hygiene, Social Science, General Knowledge, Physical Education, Punjabi, Moral Science and French. The curriculum also includes Art and craft, Music, Classical and Western Dance as well as community service. We follow a system of continuous assessment where students' academic performance is determined by their Unit Test, Class Test and semester examination. At the end of each term, comprehensive reports are sent to parents/guardians. For promotion, the students' assignments and assessments are considered throughout the year.

ART AND AESTHETICS

Art & craft is an integral part of the academic framework followed at The Wisdom School. Students are being introduced to the various prevailing art forms in the world. They are given specialized lessons on developing various types of visual and performing arts. A wholesome study of varied exceptional art forms from every field is given in these classes. The school organizes regular exhibitions wherein the paintings, and craftwork of students are showcased. They are also encouraged to showcase their talent on the Annual day and other significant occasions. Students feel a sense of motivation when their performances and works of creativity get appreciated.

LEARNING METHODS

Experiential, Creative, and child-centric learning methodologies are encouraged in our school. Students are better able to apply ideas and knowledge taught in the classroom to real-world issues when they are engaged in hands-on experiences and reflection. We empower our students to think out of the box and showcase their creativity. Computers with colour monitors and printers colour TV and laser disc players are examples of cutting-edge teaching tools. Since the number of students in each section is limited, highly qualified and experienced teaching staff provide individual attention to each student. Special tutorial rooms are set aside for extra courses or remedial education for weaker students.

**EXPERIENTIAL
LEARNING**

**INDIVIDUAL
ATTENTION**

**CREATIVE TEACHING
METHODOLOGY**

EXTRA-CURRICULAR ACTIVITIES

At The Wisdom School of Academics and Sports, we ensure the emotional and spiritual growth of the child is taken care of. To establish this, we involve the students in a myriad of activities. These include instrumental music, vocal music, theatre, dance, art and craft, yoga, fitness sports, field and indoor sports. Students participate and celebrate all festivals in the school. This enables them to develop team spirit and broadens their vision.

The school has a dedicated activity wing to impart holistic development:

CLUB PHONICS

Singing, rhyming, and reciting are some strategies employed in our 'Phonics Club'. We actively engage children to hone their verbal and soft skills through storytelling, recitation, and oration.

CLUB CREATIVE CAMELS

Providing them with various opportunities to create, draw, manipulate, discover, explore, and learn new skills is the primary feature of this club.

CLUB GAME-O-THON

A sports club which helps in strengthening coordination, and motor skills and instills enthusiasm for health and fitness.

CLUB CHA CHA CHA

Music nourishes the soul as well as the mind by uplifting the spirit to a blissful state of consciousness. It employs various creative methods to innovatively conduct the celebration of festivals through colourful display of dramas, dances, and musical activities to sensitize children towards traditions and culture.

IT LABS

We, at TWS, realize that technology is of the greatest value to teachers and students when it is available in the classroom. The only way in which learners can attain digital literacy is by having hands-on experience with computer equipment. Moreover, Individual research is best carried out by learners when each one has access to the internet. Robotics and animation are the newfound love of our students.

INFIRMARY

The school has a well-equipped infirmary to cater to any and every medical need of students. On-call doctors and timely interactive sessions of specialist doctors have made parents aware about various needs of students and health issues are getting addressed.

LIBRARY

Library is a nerve Centre, a mirror, and catalyst of the learning process of an institution. The Wisdom E-Library with its huge resources and physical library helps students in all phases of their creative process letting them actually work on the content, by which a deeper understanding is reached. The active role that the library plays in the learning process stimulates more engagement in the field of study. Besides E-Library, a well-stocked physical Library caters to diverse needs of faculty as well.

SOCIAL RESPONSIBILITY

The Wisdom School Management believes that to be socially alive one needs to be socially responsible too. All through the year, Students regularly and very passionately carry out donation drives of blankets, food items, and books for the people who need it the most. At The Wisdom School, we feel that access to good education is mandatory for every Child. We support the Government's endeavor on RTE and School is supporting students of economically weaker sections of society for subsidized education.

Unwavering commitment to Excellence and Achievement

At The Wisdom School, our unwavering commitment to excellence and achievement is the cornerstone of our educational philosophy. We believe in fostering an environment where every student is empowered to reach their highest potential. Our dedicated faculty members are not merely educators; they are mentors who inspire a passion for learning and critical thinking. The curriculum at The Wisdom School is meticulously designed to provide a comprehensive and challenging academic experience, ensuring that students are well-equipped with the knowledge and skills needed to thrive in an ever-evolving world. We understand that true excellence goes beyond academics, which is why we emphasize holistic development, encouraging participation in extracurricular activities, sports, and community service. Our relentless pursuit of excellence is reflected not only in the academic achievements of our students but also in their personal growth and character development. We take pride in creating a nurturing and stimulating environment that instills a love for learning and a drive for success in every individual associated with The Wisdom School. Join us on a journey of academic excellence and personal fulfillment, where every student is encouraged to shine and achieve their dreams.

APTITUDE, GUIDANCE & COUNSELLING

Aptitude mapping is a necessary addition to the curriculum in The Wisdom School. It helps the students not only to know about the different career paths but also help them to plan their future. They need to understand their strengths and weaknesses and what they can do in order to get a successful career. School is a perfect place to provide them with these insights before they enter the workplace. Our students and parents have access to extensive online and offline aptitude mapping sessions. Every student enjoys this journey and becomes aware of a universe full of amazing possibilities with the guidance of our counselors.

FACULTY

The real asset of an institution is the erudite and hardworking faculty that nurtures the students with passion and dedication. Our school recruits only the best enthusiastic minds who add to the diversity and talent of the multicultural and international community. Our teachers are committed to provide the best foundation to our students. Powered by a dynamic team and driven by a strong vision, our faculty brings the latest global educational practices to classrooms.

TEACHING METHODOLOGY

In the preschool, the school has Montessori System Driven education. Preschool is all about bringing the dreams and exploration to life. Hence, our preschool facilitators help the tiny tots in their threshold of new experience, and expose them to variety of activities which offers development of physical, social, language, cognitive and emotional domain.

In the Primary wing, the teaching methodology incorporates PRIMARY WING Introducing young minds to get conscious about their duties towards them-selves, Home, and Society at large. We empower our students to think out of the box and showcase their creativity.

Also, the middle grade teachers , have been using the technology and digital ways to equip learners become prepared for the evolving world. Our highly developed IT department has the latest hardware, the most recent software and a permanent high frequency internet connection to access the provision of parent portal access and online teaching through web cam.

SECURITY SYSTEM

The school campus including academic wing, play areas, library, and transportation are very well integrated through a Mobile Application. Attendance is recorded electronically using RFID technology which assures accuracy and security. The RFID system ensures the child's absolute safety and security. It also provides a means of communication and interaction between school and home.

The whole campus is under Surveillance Camera System with more than 95 IP-based high-definition CCTV cameras. Keeping the contemporary scenario in mind, The Wisdom School of Academics and Sports has implemented strict measures for child safety including restricted entry of outsiders into school premises, 24*7 CCTV surveillance, RFID technology, and bus tracking system through the mobile application.

- ✓ 24 x7 CCTV Surveillance
- ✓ 24 x7 Security Staff
- ✓ RFID Technology
- ✓ GPS Bus Tracking System
- ✓ Speed Governor System in School Transport

SCHOOL TRANSPORT

The Wisdom School of Academics and Sports understands the importance of providing transportation to students from far-flung areas. The school owns a fleet of luxury air-conditioned buses which are child-friendly, safe, and well-maintained. To guarantee the safety of the children each bus is equipped with a well-trained driver, an attendant, and a first-aid kit. Considering the current pandemic situation all bus personnel including drivers and attendants have been vaccinated. School buses are also equipped with a GPS system and Speed Warning Governor which ensures the safety of students. A lady attendant is always present on the bus to keep an eye on the children. The school is committed to reducing its carbon footprint and encourages students to make use of the available bus service.
